What we offer

At Indiecure we carefully arrange every medical travel bearing your worries in mind and aiming you fly back home recovered ably.

Customised Treatment Packages

A cost-efficient treatment plan is curated from the best hospitals in India once you get in touch with us and discuss your medical condition.

Doctor-patient Consultation

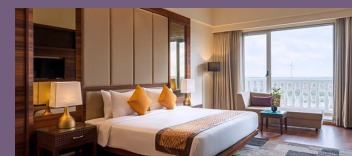

Online consultations that guide you through every intricate step-by-step procedure is arranged by us after coordinating with the relevant hospital and their doctors.

Hospital Assistance

24x7 customer service staff available at the hospital to assist you with paperwork, hospital admission and a comfortable stay.

Complete Visa & Travel Guidance

Travel advisory and documentation requirements are highlighted to ensure smooth processing of Medical Visa.

How does it work?

Schedule an Appointment

Send us your initial inquiry through the form/online chat/video call. Your inquiry will be reviewed by our doctors selecting the perfect package for you with the most affordable and high-quality healthcare services.

Doctor's Consultation

Doctor's consultation at the shortest waiting period for your treatment. You will also receive a cost estimate along with details of the hospital and the availability of translator.

VISA and Travel

We provide invitation letter for the "Medical Visa" basis which you can travel to Mumbai, India and also guide you on documentation needed for your treatment in case of organ transplant.

Pre-treatment Facilities

Pre-operative steps like getting ready and starting your treatment at the hospital. We also assign a dedicated "Case Manager" who will be your point of contact to address any concerns you might face during your treatment in India.

Post-treatment Facilities

We provide cost effective accommodation near by the hospital and assist with finding suitable meal plan for a comfortable stay during the post operative period.

Why choose Indiecure
